

How to register WEPA printing account

- 1) Most students have been pre-registered to use the kiosks. WEPA will forward your login and password directly to your Montgomery College e-mail address. If you do not receive this e-mail, register with WEPA by going to www.wepanow.com/register using your student email address and password and select “Montgomery College” from the “select university” drop down.

The screenshot shows a web browser window titled "Register - WEPA™ - Microsoft Internet Explorer provided by Montgomery College". The address bar shows "https://www.wepanow.com/register".
