

Montgomery College, the only community college in Maryland accredited by the National Association of Schools of Music, is proud to introduce

The Music Preparatory Division

Our mission is to offer the highest quality instruction, provided by the finest teachers, at an affordable cost. Lessons and classes are taught by carefully chosen faculty members who excel in their craft of teaching and performing. Most faculty members hold graduate degrees in their instruments and many hold a doctorate degree from some of the best colleges and universities nationwide.

Facilities:

We offer excellent facilities, including a state-of-the-art recital hall, a fully equipped recording studio, and a comfortable learning environment.

Performance Opportunities:

Students will have the opportunity to perform in studio recitals each semester. There will also be opportunities for students to join ensembles and to participate in chamber music activities.

Concert Attendance Opportunities:

Montgomery College presents a concert season each academic year. Talented faculty, in addition to some of the best artists in the metropolitan area, offer more than 50 concerts a year.

This spring we are offering the following courses:

Acoustic Guitar Ensemble	Ages 14–21
Beginning Group Guitar	Ages 8–14
Beginning Theory for Young Musicians	Ages 8–15
Group Piano Class	Ages 7–9
Introduction to Chamber Music	Ages 12–18
Music: Private Instruction	Ages 7–18

For course information and schedules, see course listings under Kids College Spring 2010.

For more information about the Montgomery College Music Preparatory Division, please contact Dr. Jay Crowder at 240-567-7559 or at jay.crowder@montgomerycollege.edu.

***Class cancellation:**

If any class does not meet enrollment requirements, Montgomery College reserves the right to cancel the class and issue a full refund.

***Attendance policy:**

If a student misses a lesson or group class, the instructor is not required to make up the lesson. If a teacher misses a lesson or a group class, the class WILL be made up.

**Classes and chamber groups may be added as the need arises.*
